Title: Customer Data Privacy and Protection Policy

Version: 2.0

Document Type: POLICY

Category: Privacy Policy

Effective Date: 2024-08-01

1 Personal Identifiable Information (PII) Protection

Recipient names, phone numbers, and delivery addresses are encrypted at rest and in transit, accessible only to assigned couriers via masked application interfaces.

2 Prohibition on Data Monetization

RaftarXpress Logistics never sells, leases, or shares customer transaction records or recipient contact details with third-party marketing brokers.

3 Data Retention and Deletion

Delivery manifests and tracking logs are archived for twenty-four (24) months for audit and taxation purposes, after which PII records are securely purged.
